

LIST ALL CREDITORS

If you want me to help you, I must know **ALL** of your debts. Tell me your whole financial picture. **DON'T HOLD ANYTHING BACK.** Include all matters you may wish to take care of on your own, even if you do not want me to help you on that particular debt. Be sure to include house payments, car payments, utilities, credit cards, child support, alimony, traffic tickets, criminal fines, taxes, loans from family or close friends, tort claims, traffic accidents, creditors who have already repossessed items from you, garnishments, your credit union, persons who have cosigned for you, persons you have cosigned for, rent-to-own contracts, leases for real estate of personal property, bounced checks, collection agencies or attorneys collecting for creditors, etc. Also include all creditors that were once your bills but your ex-spouse should be paying for through a divorce decree. I cannot be responsible for any creditor not listed. I have helped thousands of clients before you. If you leave someone off it will probably backfire on you. If legal papers are filed and you leave someone off on purpose, you can go to Federal Prison.

LIST BELOW ALL CREDITORS (COMPANIES OR PERSONS TO WHOM YOU OWE MONEY) AND LIST THE COLLECTOR (COLLECTION AGENCY OR ATTORNEY) IF YOU HAVE BEEN CONTACTED BY THEM. WE NEED MAILING ADDRESSES.
